

MEMORANDUM # 62

TO: UNC Hospitals Attending Physicians, Housestaff, Nursing Coordinators,
Department Heads and Supervisors

FROM: John Chapman, Dr.P.H., Director, Core/Specialty Laboratories
Connie Bishop, Assistant Administrative Director, Core/Specialty Laboratories
Mark E. Brecher, M.D., Chair, McLendon Clinical Laboratories
Sandra Ratliff, Administrative Director, McLendon Laboratories

SUBJECT: Scanned Laboratory Results

DATE: August 31, 2006

Starting September 1, 2006, the Referral Testing Laboratory in the McLendon Laboratories will discontinue distributing paper reports to physicians for reference testing that is not reported directly into WEBCIS by the laboratory information system. These detailed reference reports will be scanned into WEBCIS by Medical Information Management within 48 hours of receipt. The scanned reports may be viewed in the REPORT folder in WEBICS under IMAGED DOCUMENTS, LABS. Please contact the Referral Testing Laboratory staff at 966-2362 if you have questions.
